Style and Sophistication!

Wide Loyal Wall-Washers are designed for use as down lights or uplights with close/distance projection. These lamps are ideal for applications where a wide and even distribution of light is desired. The luminaire can be used to wash a wall with light or as a downlight to evenly illuminate a counter. Utilizing LED technology, it is extremely energy-efficient.

Sleek design built for long-lasting durability, optimum performance and always the correct brightness, create the right mood for your interior and exterior environment!
